Dear Father Paul,

Glory to Jesus Christ!

On 26 June 2007, the Diocesan Council of the Diocese of the Midwest, meeting in Chicago, Illinois, passed an amended version of the "Palatine Resolution" of October 2006, which included the following:

"The August, 2007, assessment payment to the Central Church will be remitted after the release to all Church members of all reports of the special investigation commission and when the commission renews its unhindered investigation as directed by the Metropolitan Council."

Please be advised that since this condition has not been met, the Diocese of the Midwest is, beginning this month, withholding assessments to the Central Church Administration and placing these funds in escrow.

Sincerely,

†JOB
Archbishop of Chicago and the Midwest
