This year marks the 28th
Anniversary of the Midwest Clergy
Wives' Retreat. A pan-Orthodox event
designed for clergy wives, this event has
become a sacrosanct time for worship,
fellowship, and sisterhood. For many it
is a spring of encouragement which
helps move us along through the days
and months to
follow.

Khouria Frederica
Mathewes-Green
will be this year's
speaker.

Read her bio [here](#).
