

CHRIST IS RISEN!

St. George Cathedral Patronal Feast Day Celebration

May 5th & 6th

You are invited to join the community of St. George Cathedral in honoring their patron on May 5th and 6th.

Starting at 5:30p on Bright Thursday, Paschal Vespers and Matins will be celebrated by clergy from around the deanery. The evening services will be sung by a newly formed male choir that features seasoned voices from all over the Chicago area.

Following services, all are invited to attend a cookout which will be serving barbequed meats and other favorites.

A variety of children's activities will be available including a bouncy house, prizes, and much more!

The celebration will continue Bright Friday at 9:25a with Paschal Hours and Divine Liturgy. Refreshments and fellowship will follow Prayers of Thanksgiving.
