# Let's Talk About the Hard Stuff

Grand Rapids, MI

Do you have questions about the tough topics that face us, as Christians, today? Topics like identity, gender, relationships, sexuality, same-sex attraction, and marriage?

*Of course you do. We **all** do.*

Join St. Nicholas in Grand Rapids for a teaching weekend where the team from Faithtree Resources will lead us in exploring these topics and begin to lay a framework for how we can best talk about them.

**What:** Teaching weekend for teens, clergy, youth workers, and parents

**Where:** St. Nicholas Church in Grand Rapids, MI

**When:** September 15-16, 2017

**Presenters:** Dr. Philip Mamalakis, MDiv, PhD, LMFT; Anna Kallis, MDiv; Michelle Moujaes, MSW; and V. Rev. Fr. Timothy Baclig.

## Who is this weekend for?

**Teens:** If you're a teen, come join us. Spend two days wrestling with your faith, asking the tough questions, and engaging in real conversations about these topics from a Biblical perspective. And while you're here, enjoy jam-packed fun with teens from around the region!

**Clergy and Youth Workers:** If you work with teens, then this event is for you! Join us to learn from a team of experts who understand how hard these topics can be to address, and have spent thousands of hours developing techniques and creating a curriculum that allows youth workers to have these conversations in an effective, and transformative way.

**Parents:** You've got to come too! Dr. Philip Mamalakis, author of the best selling book "Parenting Toward the Kingdom" will lead you through a workshop focused on how to parent your kids through these issues. Receive support and practical advice on how to raise your kids in this rapidly changing world.
