Come and pray where he prayed...

At the invitation of His Grace, Bishop PAUL, the faithful of Chicago are invited to celebrate the feast of St. John Kochurov, who labored in Chicago. This October marks the 100th year of St. John's martyrdom, which took place in Tsarskoe Selo, Russia.

Services will be led by His Beatitude, Metropolitan TIKHON, and concelebrated by the local hierarchs and clergy of Chicago. Divine Liturgy will be sung by the newly formed St. Mardarije Choir.

Following all divine services, the faithful are invited to the Cathedral hall for fellowship.

Chicago has had many blessings this year. May we continue to honor our local saints and give glory to God for such devout spiritual beacons!
