V. OPENING STATEMENT BY ARCHBISHOP PAUL.

1. I have been active visiting parishes since Summer of 2020, wearing masks and socially distancing. Good things are happening in parish life. It is nice to now experience normalcy. As far as I am concerned, other than serving food at Fellowship, everything is open. There are no restrictions any more coming from me with regard to kissing icons or the chalice or number of people in the church. I would dread having to go back to limiting the number of people in church. I want the practice of multiple spoons and sanitizing spoons to be stopped, if not immediately then by the end of July. It will not become permanent. I also am not in favor of any practice which will separate vaccinated from non-vaccinated.
2. We have a women's monastery now, regarding which I am very optimistic. We have people visiting Mother Alexandra now, and one who may become a novice. Visit Mother's website and purchase candles to support her.
3. I am unhappy with the ministries in the Diocese. Things start well but trickle out. We have good people but how do we maintain momentum? We have budgeted to hire a Development Director, but we are not ready to hire one because we have no "product."
4. We have extra money and I am concerned about it just sitting there. I want to support missions and mission priests more.
5. I wanted to see this Diocesan Council be not just a business council but one where all the members are involved in ministries which benefit our parishes.
6. The other option is to reduce the percentage assessment. His Eminence asked Finance Committee to investigate an appropriate percentage.

7. Maybe we move towards a program or support a program which provides loans to parishes.
8. I am pleased about starting some missions, starting with one in Aurora, IL.
9. Fr. Van Sickle: A few years ago we were concerned about having enough priests for our parishes. Abp. Paul: It's an issue, but so far, God has provided.

VI. CHANCELLOR'S REPORT.

1. Grateful to Fr. John Zdinak for assistance in transition and Archbishop's patience. Working with clergy who are having difficulties.
2. Chancery meetings are bimonthly. Reporting on administrative tasks and trying to stay ahead of projects.
3. Working on clergy handbook laying out Archbishop's expectations, liturgical life, and other important items.
4. Following up on Clergy and Laity task forces since workshop with Bill Marianes. Clergy is still in formation, while the Laity is moving ahead with their work.
5. Carrie Sabourin and Ellyn Gillette reviewed strategic plan draft given to all diocesan council members. It is a working document, open to suggestions and further revisions. Task force meets every three weeks. Members continue to research methods and literature suggested by Bill Marianes. See strategic plan document for reference.

VII. TREASURER'S REPORT

1. In reference to written report. We are doing well. Parishes are submitting their tithes on time. The additional income was to fund specific causes - Niangua Monastery and Buckner Cemetery.
2. Reviewed funds status. Mission projects fund – money to Greater Horizon. Monastery reserve fund – two \$5,000 checks recently issued from the fund.
3. Diocesan mission parish development fund - \$529,376.33 figure. Transfer of excess to mission projects fund. Discussion followed about best manner to utilize all mission related funds going forward (~\$750,000).
4. Questions: Kuchta – about mission fund and bequests to diocese. Graban – suggestion to place funds in better interest bearing allocations. Mueller – suggested system to distribute money, not ad hoc. Sawchak – highlighted positive discussion within diocese about possibilities for growth and other ideas. OCCIF discussion (Morbey, Van Sickle, Graban).
5. PPP Loan Update. Applied for forgiveness, and received approval less \$2,634. Apply \$41,000 from PPP and budgeted amounts from 2020 and 2021 to pay off \$250,000 property improvement loan balance completely.
6. Made transition to Quickbooks online allowing full backup of data.
7. Bookkeeper position has been filled by Angeline Kladis. Her duties will include paying bills and updating Quickbooks. Motion from Finance Committee: Approve the hiring of Angeline Kladis as the Diocesan Bookkeeper at an hourly rate of \$21.50/hour. As Bookkeeper, she will receive a 1099 at the end of the year. PASSED.
8. Pursuing quotes for projects around chancery – weed control, lawns, gutters, concrete work, driveway replacement, fencing, lighting, security system.
9. Auditors will arrive around August for a two year audit. Documents are being assembled and prepared for this audit.
10. For 2022 budget, there is a possible increase of seminarian scholarships, mission grants, and the formulation of a parish loan program.

11. Development director position task force has defined the parameters. Moved by Archbishop PAUL, seconded by Fr. Jacob Van Sickle to dissolve task force. PASSED.
Lunch break at 12:00pm. During the lunch, council members were offered tours of the chancery offices. Reconvened at 1:00pm.

XII. NEW BUSINESS.

1. Archbishop PAUL would like the Finance Committee to investigate reducing the assessment percentage and report back at the next Council meeting.
2. In an effort to help fund parish projects, the Diocese will reach out to OCCIF – Orthodox Church Capital Improvement Fund. The Diocese is not currently setup to finance such projects directly.
3. 2022 will be the 100th anniversary of the Diocese of the Midwest. Since the 50th anniversary of the autocephaly of the OCA was cut short by the pandemic, perhaps that same energy may be applied to this diocesan celebration.

XIII. NEXT MEETING.

To be held prior to the 60th Diocesan Assembly, on Monday, October 11, 2021. Also, the winter Diocesan Council meeting will be held on December 2 & 3 at St. Peter & St. Paul in Burr Ridge.

Report of Diocesan Metropolitan Council Representatives

Since the last report, the Metropolitan Council met via five videoconferences (Zoom). This report will focus on items of particular interest to the Diocese and other potentially actionable items.

November 4, 2020: A balanced budget of \$1.8M for 2021 was approved, and a resolution to ask for PPP forgiveness (CARES Act) was passed. \$195,958.64 was ultimately forgiven, which was approximately \$1,200 more than was originally requested. For 2021, the proportional giving rate of our diocese is 40%, which goes down to 38% in 2022. Efforts to sell the Syosset Chancery and relocate the archives continue. The Legal Committee reported that *Romanian Orthodox Episcopate of America v. Duvlea and Holy Trinity Monastery* case was concluded in favor of the OCA's Romanian Episcopate. A separate case of *Romanian Orthodox Episcopate of America v. Gheorghe Carstea and Saint Nicholas Church* was in Oakland County Circuit Court awaiting scheduling. This focuses on issues of possession and control of a parish in Troy, Michigan, and is a functional companion case to the Duvlea case mentioned above.

Extraordinary Session November 19, 2020: Approval was given to postpone the All American Council to the week of July 18, 2022. Subsequently, it was agreed that it will remain in Baltimore, in the venue originally contracted. Two offers to buy the Syosset property were received at \$5 million and \$5.5 million. A motion was approved to authorize the MC Property Committee to negotiate a counteroffer, contingent on approval by the Metropolitan Council and Holy Synod. No deals were reached.

Spring Session, February 24, 2021: Following a report from the OCA Pension Board, the MC "reiterated its resolution adopted a year ago, requesting that the Holy Synod create a joint commission, composed of Holy Synod and Metropolitan Council members, to enforce compliance with the mandate of the OCA Statute and All-American Council decisions, that all eligible clergy are to be enrolled in the OCA Pension Plan." The Pension Board reported 14 additional clergy joined the plan since the last meeting, and about 85% of those eligible are enrolled.

Spring Session (Continued), March 3, 2021: OCA departments have been reorganized, with Archpriest Thomas Soroka, Project Manager of the Departments of the OCA highlighting the various completed, ongoing or pending projects and tasks. An adult catechism project is nearing completion. Spanish language missionary work and publications were also discussed.

Special Session, May 11, 2021: His Beatitude, Metropolitan Tikhon paid tribute to the recently departed Archpriest Antonio Perdomo for his work as a member of the MC and his Spanish language ministry. "*Memory eternal*" was sung for Fr. Antonio, as well as Metropolitan Theodosius and Protopresbyter Daniel Hubiak, who played large roles in the work of the Metropolitan Council. The MC endorsed Fr. Alessandro Margheritino for the position of OCA Secretary, in accordance with the OCA Statute, for confirmation by the Holy Synod. The property committee reported on the ongoing efforts to sell the Chancery (Westwood property), and the MC approved extending the realtor's contract through December 31, 2021.

In response to questions Metropolitan Tikhon has been receiving regarding the Pension Plan, His Beatitude asked treasurer Andrew Smith to form an ad hoc committee to assist in answering the questions. The committee of Fr. John Hopko, Andrew Smith, and Robert Popadic finished a report. In anticipation of this report being released to the Metropolitan Council, His Beatitude formed a smaller committee within the MC under the direction of Andrew Smith, to examine this report first, and then to present it to the Metropolitan Council at a future meeting. Members of this subcommittee are Andrew Smith, Archpriest Joseph Ciarciaglino, David Lane, Donna Dimitri, and Bob Graban. "The formation of this committee and its tasks are necessary preconditions to the work of the committee that will be formed as mandated by decisions of the Spring 2020 and 2021 sessions of the Metropolitan Council".

Respectfully submitted,
Bob Graban

Chicago Dean's Report for Spring 2021 Meeting

Pastoral and other changes:

Archangel Michael Church in Burbank is seeking to sell their property and have remaining parishioners migrate to the St. John of Chicago Chapel. Additionally, it is thought that some Archangel Michael parishioners will attend Ss. Peter and Paul in Burr Ridge and St. Joseph in Wheaton.

- Fr. John Segvich is overseeing this transition with Chancellor Archpriest Paul Jannakos. Archbishop Paul has asked the parish to sell the rectory and present home of the Diocese of the Midwest to the Diocese for a token sum of money.
- Fr. Esteban Vasquez will serve alternating Sundays at St. Panteleimon and St. Michael in Burbank until the sale of the property and transition of parishioners to St. John. On the Sundays on which he does not celebrate Divine Liturgy at St. Panteleimon and Archangel Michael, Protodeacon Robert Northrup will celebrate a Typica and service Holy Communion.

Fr. Esteban will also be starting a PhD. program at Loyola University and doing Spanish Language ministries, podcasts, and translations at Ancient Faith.

After having completed a number of necessary tasks, including obtaining a lease for the property that they use, filing articles of incorporation and adoption of bylaws, Holy Theophany Chapel of Williams Bay, WI has been elevated to mission status as of April 1st.

Archbishop Paul has given a blessing to Fr. Elijah Mueller to initiate a meeting of the local SE Wisconsin OCA clergy to increase communication and connection between their ministries. Fr. Elijah "...felt it was important that we share what is going on in our communities and have a greater sense of participation in each other's work, difficulties, and successes. We hope to make a more coordinated effort to reach as many people as possible, together, renewing our sense that we work as a larger Church in evangelizing and ministering to our broader community. As we slowly emerge from this covid mess, if we plan right, perhaps we can experience a special movement of the Holy Spirit to bring us together in the one body and work of Christ, manifested clearly and unambiguously!"

Indianapolis Deanery Report
Diocesan Council/Bishops Council 2021

The process of re-opening from the pandemic remains the most significant development throughout the deanery. At this point nearly all parishes are at full capacity with recommendations to follow CDC guidelines on masking. Overall our deanery has not experienced a great deal of loss or conflict over the pandemic guidelines, however, reports have been overwhelming that being able to return to 'normal' especially on coffee hour and full capacity services has been a source of joy and relief.

We have had a few developments in parishes, clergy and missions. Most notably Fr. Joshua Coolman has been assigned to St. Stephen's in Lima, OH, After many years of having no full time priest, this is a true answer to prayer. Fr. Mark Hodges was suspended in January and reinstated as attached to St. Paul in Dayton with restrictions. The deanery, in cooperation with the mission committee, has been working on two outreaches - one in the Muncie, IN area and one in South Bend, IN. The Muncie area outreach (St. Photini Outreach) has been meeting twice a month for Sunday vespers in nearby Gas City. The goal is to move to the more populated Muncie area, partnering in a pan-Orthodox effort, in the fall of 2021. South Bend (St. Brigid Fellowship) had been meeting for bi-monthly gatherings, but has been put on hold for the moment, with the hopes of restarting soon.

REPORT OF THE MINNEAPOLIS DISTRICT DEAN TO THE DIOCESAN COUNCIL
June 18, 2021

Parishes:

Minot, ND. We continue to look for a priest for assignment to St Peter the Aleut, ND. The parish has been vacant now for almost two years. It is served roughly once a month by clergy from the Minneapolis Deanery, and also by clergy of other jurisdictions. North Dakota, actually, is a field ripe for harvest. With the 'right' priest serving in Minot, working with the priest in Fargo and the budding Antiochian mission in Bismarck (see below), North Dakota could become a thriving hot spot of evangelism.

The group of Orthodox faithful in Bismarck, ND, were being served by the Minneapolis Deanery through the rector of St Peter the Aleut in Minot, ND, an hour or so north of Bismarck, when there was a rector assigned to Minot. When there was/is no priest assigned to St Peter the Aleut, the Bismarck faithful were served on Saturday morning by whatever priest of the Deanery was providing services at Minot that particular weekend. On Palm Sunday, 2021, one of the faithful of the Bismarck community, was ordained to the diaconate by the Antiochian Archdiocese, and has been directed to work towards building up the faithful in Bismarck into an Antiochian mission. The Minneapolis Deanery, therefore, no longer serves the faithful in Bismarck. The young man who was ordained to the diaconate, with the support of Archbishop Paul, had petitioned for ordination to the diaconate and priesthood with the OCA, but his Sitz im Leben was such that it was not possible for him to satisfy the Synodal requirement to spend a year on campus at one of our Orthodox seminaries. He therefore applied to the Antiochian House of Studies, and was ordained to the diaconate upon his successful completion of that program, and the faithful in Bismarck are now under the care of Metropolitan Joseph.

This could have been an example both of creative evangelism, addressing 'extraordinary circumstances with extraordinary measures,' and of inter-jurisdictional co-operation. I am disappointed it was not.

Fargo, ND. Holy Resurrection Orthodox Mission in Fargo, North Dakota, continues to thrive as a parish. Fr William Rettig is becoming a priest experienced beyond his years from the numerous extraordinary circumstances that he is called upon to negotiate on the prairie!

Holy Myrrhbearers in St Cloud, MN, also has continued her miraculous recovery under the sound pastoral leadership of Fr Andrew Jaye and his wife, Brenda. Holy Myrrhbearers had been downgraded from mission to chapel status several years before Fr AJaye was assigned to serve as 'priest-in-charge.' Fr AJaye was assigned to Holy Myrrhbearers almost two years ago now. Under Fr Jaye, with no little credit going to his wife, the potential Holy Myrrhbearers always had to grow into a thriving Orthodox community in St Cloud is being realized. Attendance, financial giving, the number of inquirers and catechumens, baptized and chrismated converts, has sky-rocketed in the last two years. After visiting Holy Myrrhbearers this last May, Archbishop Paul elevated Holy Myrrhbearers to mission status. But, it may be very soon when Holy Myrrhbearers will be ready for elevation to full parish status.

Pastoral changes:

Fr Ted Wojcik and his wife, the 'Very Karen,' finally retired from all obligations but grandparenting and moved to Pella, IA. They now can be found most Sundays at St Nicholas mission, where Fr Ted will be seen serving with his son, Fr Bart, and the 'Very Karen' standing with her grandkids in the nave.

Early this Spring, Fr Christopher Maciolek was released from the omophorion of Archbishop Paul and was taken under the omophorion of Archbishop Alexander of the Diocese of the South in preparation for accepting assignment to serve St Mary of Egypt Mission in Norcross, GA, beginning July 1. So, they loaded up the truck and moved to Norcross, Georgia just this Tuesday (and Wednesday), June 17 & 18.

Miscellany:

St Mary's [Greek] Inter-jurisdictional or 'Pan' Orthodox Summer Camp is administered co-operatively by staff from several Orthodox parishes in the Twin Cities. Fr Benjamin Tucci of St Mary's Cathedral directs the camp under the leadership of the clergy of St Mary's Greek. The camp was cancelled last summer, but it is up and running again this summer, though under modified conditions due to the Corona Virus. The campers are being divided into two groups, a younger and an older, and will come together separately over two consecutive weeks.
