**Previous Year & Upcoming Year****Highlights of Top Three Activities Since the Last Report**

After streaming services with a number of iPads, we raised \$35,000 in a month to put in a state-of-the-art five camera system with editing room. We also then received a matching \$35,000 from an estate that we have placed into a fund to continue to upgrade our system as technology evolves.

We received money from an estate to put in a new high-resolution electronic sign in front of the church.

With COVID, we had to adapt and improvise to hold most of our meetings, Adult Education classes, Intro to Orthodoxy Classes, and Sunday School using ZOOM.

### Outreach and Charitable Activities Since the Last Report

St. Herman's House - continue to support and collect food, clothing and other supplies for St. Herman's House in Cleveland

Samaritan's - Our Samaritan's group gathers once a month to package to-go lunches for St. Herman's House

Continue to actively support all the seminaries and Orthodox institutions in and around Cleveland

### Major Challenges Faced Since the Last Report

1) Our Choir director had to step down as his job now has him traveling. We are searching for a new director.

2) Not all of our parishioners are back yet, and its difficult to do visitations to hospitals and nursing homes at present

3) Since we have been without Bingo since COVID began, Archbishop Paul "challenged" us to forgo Bingo altogether. The parish met and overwhelmingly agreed that it was time to stop Bingo and rely on Stewardship, but we do have to open Bingo for a few months to distribute prize money which had not yet been won on various games. Bingo will close for good on December 12th

Although we have received high praise for how we broadcast services, there are still a small majority that enjoy staying home and simply watching. This, as I have stated, is a problem with many Orthodox Christians since COVID set in.
