Chancellor's Report -2023

Since our last diocesan assembly held in Baltimore 15 months ago, the Diocese of the Midwest has undergone many positive changes. The first of which was the Enthronement in October of 2022 of our new diocesan Hierarch, His Eminence, Archbishop Daniel. I am grateful especially to Fr. Alexander Koranda and the Holy Trinity Orthodox Cathedral for all they did to make this a truly beautiful occasion. We are grateful to God that Archbishop Daniel has settled into his new home here in Chicago and has "hit the ground running" in his archpastoral ministry.

Under the direction and guidance of Vladika Daniel the diocesan headquarters and offices have been relocated from the residence at (the former) Holy Archangel Michael property to the 2nd floor of the hall and administration building at St. George Russian Orthodox Cathedral on Wood Street in the Ukrainian Village (Chicago). His Eminence's residence and the diocesan offices at St. George Cathedral have been a boost for the community, and His Eminence is especially happy to be living on site next to a parish with a full set of liturgical services. Even so, the moving of the diocesan headquarters to Chicago was a complex and time-consuming project. Space had to be renovated at St. George for the uses of the diocesan offices and episcopal residence. In addition to this, a place had to be procured at St. George Cathedral for the safe storage of the diocesan archives. I am especially thankful to our Vice-Chancellor, the Archpriest Esteban Vasquez, Father John Segvich, Reader Philip Sokolov, and to Mr. Rob Koncel for their assistance in this project. Father John Segvich

Connected to this was the sale of the property from the former parish of Archangel Michael in Burbank, Illinois. This, too, was a lengthy and arduous project. Damage to the Church from leaking water needed to be repaired, and the Church and its many sacred articles, icons, stands, candle-stands, vestments, altar boy robes, tabernacle, the holy altar, etc., needed to be packed up and moved. After being on the market for only a couple of months the diocese received a very good offer, and the property and buildings were sold for 1.2 million dollars. His Eminence, Archbishop Daniel, the Diocesan Council, and the Finance Committee are currently praying and planning on how to best direct these funds towards good educational and charitable diocesan purposes. (More than this will be communicated to the diocese as we move forward).

Vladika Daniel, this past year, has also asked me to review the good work that began under both + Archbishop Job, of blessed memory, and + Archbishop Paul, of blessed memory, on the diocesan strategic plan. Previous work on diocesan laity engagement and the furthering of continuing education for our diocesan clergy will be reviewed. An updated strategic plan will be created in 2024 that better reflects Vladika Daniel's vision for the diocese. Such a strategic plan is necessary to ensure that the short-term goals of the diocese are "in line" with the diocese's long term hopes for continued growth and vitality.

Included in this strategic plan has been the exploration of the need to establish our own diocesan pastoral school. As we all know, we have been blessed by God to have a diocese which has had exceptional episcopal leadership, past and present. As a result of this, and the faithful work of all the clergy and members of the diocese, we have slowly grown to be the largest of

the territorial dioceses in the Orthodox Church in America. And this presents us with the challenge of clergy vocations. While there have been many to heed the call of our Lord to the priestly ministry, many of these are "second career" seminary candidates with spouses and children. Thus, it has become increasingly more and more difficult for them to uproot their families for 3 years and move them either to New York or Eastern Pennsylvania (and to find housing and schools for their children). We lose many possible candidates for the priesthood because of this difficulty.

In response to this, Vladika Daniel has given the blessing for the formation of an ad-hoc exploratory committee to start planning for this local diocesan pastoral school that would include teachers from among our diocesan clergy who have Doctorate degrees. The pastoral school would operate with hybrid onsite and virtual classes. It would offer M. Div. degree by aligning itself (initially) with an existing graduate level theological institution in the Chicago area (possibly St Mary's – Mundelein). I am happy to report that this committee for the planning of a new pastoral school has already met twice, and plans are on the way for the school to be incorporated as a formal 501c 3 non-profit corporation. We ask for your prayers and support as we move forward with this much needed project.

Finally, I would be remiss if I did not mention the work of the chancellor regarding clergy and parishes experiencing conflict or other local crises. By far, the majority of my time as chancellor is spent meeting with and listening to people in the diocese expressing difficulties in parish life. As such I aim to find new ways of working with the faithful and our clergy to find healthy resolutions to these problems. Conflict in parish life is inevitable. But such conflict need not be something detrimental (though it often is). It seems to me that St. Luke the Evangelist was quite intentional in his portrayal of the apostles having serious disagreements in the Book of Acts. Yet through patience, and conciliar love, and with the help of the Holy Spirit, they were able to successfully resolve their differences (E.g., Acts 15:1ff). From this it is important to see how every event in parish life that leads to conflict should be seen as both a challenge and an opportunity, given by God, for all of us to learn and grow.

Finally, I am thankful, especially, to His Eminence, Archbishop Daniel for his support in my work and for his tireless work in our diocese.

Asking for your prayers,

Archpriest Paul Jannakos Chancellor, Diocese of the Midwest, Orthodox Church in America.

Attachment A: 2022 Profit and Loss Budget vs. Actual

For 2022, based on the budget, we had projected an income from Tithing of \$1,071,087.50. The actual income from Tithing was \$1,097,872.85. The total received from Tithing was \$26,785.35 more than anticipated. The total actual income from all sources was \$1,151,034.58 compared to \$1,150,687.50 anticipated, a difference of \$347.08.

The total of all normal expenses was \$102,184.10 more than anticipated, \$1,145,031.96 vs. \$1,043,117.86). (Near Top of Attachment A, page 6)

This difference was due to Accountants Entries for the Mother Maria of Paris Ministry (\$45,350.00, Attachment A page 3) and Cemetery Maintenance Expense (\$100,012.06, Attachment A page 4)

Due to these accounting entries, we were -\$101,837.02 over budget and we had a net Income of \$5,732.62 over expenses. However, if the two items above, \$45,350.00 and \$100,012.06, we had a net income of \$152,094.68. (Top of Attachment A, page 6).

Summary of Expenses:

The following is a summary of some of the major expense categories. The numbers are taken from the 2022 P&L Budget vs. Actual located in Attachment "A":

- With the passing of Archbishop Paul and the enthronement of Archbishop Daniel, there were unanticipated expenses of \$24,507.84.
- Clergy and Parish Resource Expenses were \$6,069.52 less than budgeted (\$2,930.48 vs. \$9,000)
- The Diocesan Assembly expense was \$12,144.57 less than budgeted (\$1,355.43 vs. \$13,500)
- The Diocesan Chancery Office expenses were \$13,800.00 less than budgeted, \$13,800.00.
- OCA expenses were \$31,429.42 less than budgeted (\$407,013.25 vs. \$375,583.82).
- Professional Fees were \$13,109.92 less than budgeted (\$31,920.00 vs. \$18,810.08).
- Total Charity expenses were \$7,017.00 more than budgeted (\$8,517.00 vs. \$1,500) primarily due to the fundraising for the Ukraine Relief.
- Program expenses were \$9,278.00 more than budgeted (\$127,800.00 vs. \$137,078.00) due primarily to the Accountants entry of \$45,350.00.
- Repairs and Maintenance Expenses were \$11,059.90 less than budgeted (\$19,800.00 vs \$8,740.10) due to minimal repairs required for the Burbank property and no Rectory Rent Payments due to the closing of the parish.

- Total Salaries and Wages were \$40,217.78 more than budgeted (\$225,279.57 vs. \$265,497.35) due to the transition phase between Archbishop Paul passing away and Archbishop Daniel becoming our new Hierarch.
- Diocesan Travel Expenses were \$8,468.38 less than budgeted (\$53,000.00 vs. \$44,531.62).

Attachment B: Summary Balance Sheet as of December 31, 2022

The 2022 Balance Sheet is shown in Attachment B, pages 1-5, and provides a summary of all of our assets and liabilities from January 1, 2022 to December 31, 2022.

Attachment C: 2023 Profit and Loss Budget vs. Actual: January thru June 30th, 2023

Starting in 2016, a change was made showing Proportional Giving Income. The income now includes the total for both the OCA and the Diocesan funds received. In addition, beginning in 2019, the Diocese implemented a Proportional Giving methodology for providing funding for the Diocese, Tithing, in lieu of the old Assessment methodology. For the first six months of 2023, we had projected an income of \$559,274.82 from parish Tithing. The actual amount received was \$602,700.31. The amount received from Tithing was \$43,425.49 greater than projected.

The net Operating Income received from all sources is \$127,016.53 vs. \$1,667.62 budgeted. This results in total net income of \$125,348.91 greater than the amount budgeted for the first 6 months of 2023 (See bottom of page 5 of P&L).

Summary of Expenses:

The following is a summary of some of the major expense categories. The numbers are taken from the 2023 P&L Budget vs. Actual located in Attachment "C":

- Total Office Expenses are \$29,888.98 less than budgeted (\$30,499.98 vs. \$500.00).
- OCA Expenses are \$30,307.13 less than budgeted (\$212,524.38 vs. \$182,217.25)
- Total Professional Fees are \$20,481.14 more than budgeted (\$9,809.94 vs, \$30,291.08). This is due primarily to payment for the My Diocese phone App.
- Total Program Expenses are \$44,575.90 less than budgeted (\$79,749.86 vs. \$35,173.96). This is due to clergy convocation expenses not being fully accounted for and Mission Grants and Music Ministry expenses not being incurred yet.
- Total Repairs and Maintenance costs are \$13,834.18 less than budgeted (\$16,374.96 vs. \$2,540.78). Due primarily to no maintenance expenses due to the Burbank Property.

- Total Salaries and Wages are \$13,699.83 greater than budgeted (\$121,953.72 vs. \$135,653.55).
- Travel Expenses are \$5,791.91 more than budgeted. (\$24,849.80 vs. \$30,611.71). Due primarily to automobile expenses and increased Chancellor travel.

Attachment D: Summary Balance Sheet as of June 30th, 2023:

This balance sheet is shown in Attachment D, pages 1-3, and provides a summary of all of our assets and liabilities as of June 30th, 2023.

Attachment E: Diocesan Mission / Parish Endowment Fund: Status as of August 31st, 2023:

The Mission Endowment Fund was created to provide additional funding to the Mission Department through its earnings on interest. The money is invested in both a Portfolio Fund (approximately 60%) and an Income Fund (approximately 40%) in an account with Morgan Stanley. We consider this fund to be a long-term investment fund. As such, investment history has shown that having a mix of funds in equities and income funds provides the highest returns in the long term. Currently, the market continues to be very volatile. However, given the volatility, we have still been able to take advantage of market increases and have transferred funds out of this fund and placed them into the Mission Projects Fund in another Morgan Stanley account. As of August 31st, 2023, the total in the Mission Development Fund is \$480,389.42, compared to \$429,356.94 at the start of the year, an increase of \$51,032.48 for this year.

However, due to market conditions at the end of 2017 and the beginning of 2018, the market was performing very well. To take advantage of this situation and to protect any gains made in the market, a series of transfers were made from this fund into a new Missions Project Fund (Morgan Stanley, No. 1477). This Mission Projects Fund was created to be utilized for future Diocesan Mission Development projects (See Attachment F). In addition, due to favorable market conditions in 2021, an additional \$46,500 was transferred into the Missions Project Fund on 1/25/2021 and another \$35,515.00 on 7/6/2021 (See Attachment F) for a total of \$83,015.00.

As the amount grows to a number greater than \$500,000 in the combined funds, the Finance Committee will again be considering additional fund transfers for the amount over \$500,000 into the Mission Project Fund.

Currently, the combined total in the Mission Project Fund is \$99,781.16 (see Attachment F, Fund 1477 and 7627). On September 1st of 2022, \$200,000.00 was transferred to the Orthodox Church Capital Improvement Fund (OCCIF) as an investment with a 3% return for the next 5 years, \$3,000.00 every 6 months. The first \$3,000.00 earned was deposited on 4/17/23 into this fund and another \$3,000.00 has been received and will shortly be deposited into this fund.

Also, to take advantage of higher interest rates, this money (all but \$0.78) was reinvested into a Morgan Stanley Preferred Savings Account earning around 4.5% interest.

In addition, previously we had received grant money from Greater Horizons. The grant money was also deposited into the Mission Projects Fund to remove it out of the General Checking Account. Currently, the remaining amount from Greater Horizons is \$46,000. Therefore, the net amount in the Mission Projects Fund is \$53,781.16, not considering the funds invested with OCCIF.

Throughout the year, you can see that monthly totals have risen and fallen quite dramatically, hitting a current fund high at the end of this past July, 2023. Since we are in it for the long term, we are not looking at the short-term variations that the market will inevitably experience. To date, there have been no additional funds added to the Mission Endowment Fund. Previously, money was allocated to this fund as part of a budget line item and when parishes in the Diocese have closed, any remaining funds were placed in this account. A summary of the monthly totals as of August 31st, 2023, as well as the progress since 12/31/1999 (\$113,216.57) when first created is shown in Attachment E.

Attachment F: Morgan Stanley Accounts: Fund Status as of August 31st, 2023

The Fidelity Operating Reserve Fund was closed out at the beginning of 2016 and held in the Bank of America Checking Account. As a result, this amount was transferred into a new Morgan Stanley Investment Accounts in 2017 (Attachment F). New separate accounts were created for each of the original Fidelity Funds. The manager of the funds is the same manager as the Diocesan Mission / Parish Endowment Fund. The funds are invested into fixed interest and diversified funds to maintain the principle as much as possible as these are reserve funds, but with the intent to earn a higher return than the money market account. A summary of the monthly totals for the new Morgan Stanley accounts is shown in Attachment F. Two new funds were added in at the end of 2020: The Perpetual Care Fund for the Buckner Cemetery and the Holy Resurrection Monastery Fund. The funds in the Perpetual Care Fund were returned to the committee established to maintain the cemetery as this was the original intent on March 19, 2022. The Holy Resurrection Monastery Fund is still active. As of 8/31/2023, there is currently a total of \$1,168,017.32 in all our reserve funds. A breakdown of each of the funds is provided below.

Maintenance Reserve Fund: On 4/17/2023, \$5,000 was transferred out of our Bank of America Checking Account and deposited into the Maintenance Reserve Fund per the 2023 Budget line item. There is currently \$60,280.28 in the fund.

Special Visit Reserve Fund: There is currently \$5,875.33 in the Fund.

<u>The Missions Projects Fund</u>: This was opened in November of 2017. This fund has been growing because of fund transfers from the Diocesan Mission / Parish Endowment Fund (See Attachment E and explanation above). As the market has been performing favorably, amounts from the Mission/Development fund have been taken out and transferred into the Mission Projects

Fund to protect the gains made as this is a much more conservative investment fund. The funds available are still designated for use for Mission purposes. As mentioned above, \$200,000 from this fund OCCIF and the Grant funds received from Greater Horizons was also deposited into this fund.

Archbishop Life Insurance Fund / Former OCA Reserve Fund: The OCA Reserve fund reached an amount of \$108,125.26 in 2015. In 2015, the Diocesan Assembly approved a deficit budget, with any required funds to cover the deficit to be taken out of this reserve fund. On 7/6/2015, \$35,000 was transferred to the Bank of America Checking Account to cover general operating fund expenditures leaving a balance of \$73,125.26 in the escrow fund. The same type of deficit budget was passed in 2016 and 2017. In March of 2017, \$20,000 was withdrawn to cover general operating fund expenditures and in June of 2018 another \$21,000 was withdrawn.

As of the end of July 2020, \$32,193.92 was the balance in this fund. On August 5th, 2020, per Diocesan Council approval, this fund was closed out and the remaining balance was transferred into the Operating Fund Reserve Fund.

Further, on August 6th, 2020, the Finance Committee agreed to deposit \$13,798.10 into this Fund and rename it the Archbishop Life Insurance Fund. Since 2018, we were striving to secure a Life Insurance Policy for the Archbishop Paul, however, we were unsuccessful. Therefore, we decided to create our own escrow account for an insurance policy for the Archbishop. On 7/27/2021, \$7,000 was transferred into this Fund per the 2021 Budget line items. Fifty per cent of the amount in this fund will be for a beneficiary that His Eminence names and the Diocese will be the beneficiary of the other 50%.

With the untimely passing of Archbishop Paul last year, the proceeds of this fund were disbursed. At this time, \$14,400 was sent to his sister as his named beneficiary and the remaining funds were transferred to the General Operating Fund (No. 5403), effectively closing out the fund.

Automobile Reserve Fund: In January of 2018, a new vehicle was purchased for His Grace for a cost of \$17,469.06 with the funds coming from the Automobile Reserve Fund. On 4/17/2023, \$5,000 was transferred out of our Bank of America Checking Account and deposited into the Auto Reserve Fund per the 2023 Budget line item. In addition, Archbishop Paul automobile was sold for \$9,000 with the funds deposited into this fund. There is currently \$43,407.25 in the Automobile Reserve Fund.

Bishop Job Memorial Scholarship Fund: There is currently \$18,385.12 in the fund. Note, at the June 2022 Diocesan Council meeting, it was voted to utilize the remaining funds in this account to create a scholarship program to assist any diocesan youth attend an Orthodox summer camp starting in 2023. There was \$25,000.00 allocated in the 2023 budget for this purpose as a budget line item of which a portion of these budgeted funds were utilized. Since this became a budgeted item, the money in this fund remained untouched and is available for future use. **Legal Reserve Fund:** There is currently \$71,084.77 in the fund.

Operating Reserve Fund General: At the end of December 2020, there was \$12,259.13 in the fund. On May 18, 2020, \$43,664 was received from the Payroll Protection Program (PPP) loan from the CARES Act. The \$43,664 was transferred from the Bank of America Checking Account and deposited into this account. As mentioned above, on August 5th,2020, the OCA Reserve Fund was closed out and the remaining funds, \$32,193.92, were also transferred into this fund. On 7/15/2021, most of the PPP loan was forgiven and the full \$43,664 was transferred back into the main checking account which was used to pay down our outstanding loan with Bank of America. (More on this later). Currently, there is \$60,008.80 in the fund.

Perpetual Care Fund (Buckner Cemetery): At the end of 2019, we were notified that the Diocese was to receive a gift of \$100,000.00 from the Cecil and Elizabeth Browning Trust to be used for the Parish Cemetery of the Nativity of the Virgin Mary in Buckner Illinois. After the passing of Cecil and Elizabeth, they made this gift to the Diocese with the sole purpose being for the perpetual care of the cemetery. The funds were received from the Trust in November of 2020 and deposited into our Bank of America Checking Account and then deposited into this special fund created specifically to hold this money in escrow. A board has been established in the Buckner area to take care of the cemetery, meeting the guidelines of the gift for the perpetual care of the cemetery. The required paperwork was completed, and on 3/29/2022 the remaining funds \$100,012.06 were transferred to the care of the new board to care for the cemetery and this fund was closed out.

New Monastery (Holy Resurrection): When the anonymous donation of \$100,000.00 was received for the purchase of the Monastery, the funds were transferred out of the main Bank of America Checking Account and deposited into this fund which was created specifically to hold this money in escrow and use the funds specifically for the purchase of the Monastery and various improvement startup costs. Currently, there is \$9,816.14 in this fund. See Attachment I for a summary of expenses for the Monastery.

Archangel Michael Property Proceeds:

The net proceeds from the sale after attorney fees and closing costs were paid was \$1,125,733.05. The funds were wire transferred into the Archangel Michael checking account the same day.

During the process of selling the property, I was in contact with our investment advisor from Morgan Stanley. On August 4th, \$100.00 of the proceeds was wire transferred to Morgan Stanley as a test. Once it was confirmed received, the balance of \$1,125,633.05 was sent on August 7th. Of the funds transferred, \$450,000 was put into a separate fund invested primarily in equities earning dividends, cash and alternatives and the remaining balance, \$675,733.05 was invested in Cash, fixed income and preferreds. Currently, there is \$442,879.33 in the equity funds and \$671,285.59 in the fixed investment funds for a total of \$1,114,164.92. The drop from the initial deposit is due to market conditions.

ATTACHMENT I: Accounting of Holy Resurrection Monastery, Marshfield, Missouri

In October of 2020, an anonymous donor gave \$100,000 for the purchase of a Monastery Property in Marshfield Missouri. The donation was utilized to pay off the existing mortgage on the property from the Springfield parish and was established as a monastery under His Eminence's omophorion. In addition to paying off the mortgage, the funds were used to pay for work that needed to be performed on the property, most recently for the repair/replacement of the air conditioning system in 2022. The liability, property and automobile insurance for the property are covered by the Diocese. The one outstanding expense is to obtain an updated survey for the property for which steps have been taken to accomplish this. The funds for the monastery are held as part of our Morgan Stanley investments with \$9,816.14 remaining in the fund for the monastery.

The monastery is now known as Holy Resurrection Monastery with Mother Alexandra. For more information about the Monastery and to see the items that are for sale to help support the Monastery, please see the Diocesan website.

ADDITIONAL UPDATES PRIOR TO PRESENTING THE 2024 BUDGET:

<u>UPDATED PROPORTIONAL GIVING POLICY AND PARISH FINANCIAL WORKSHEET:</u>

The Finance Committee spent a considerable amount of time at the end of 2022 in reviewing and revising the Diocese's Proportional Giving Policy to clarify several items, and to revise the FORM 1 worksheet, providing both a Word version and Excel version to make it easier to fill out. One of the biggest revisions in the policy is specifying in more detail what is required to be completed when requesting relief from the 13% tithing amount. This includes not only submitting the FORM 1, Parish Worksheet, but submitting a letter with financial evidence supporting the request for relief and to submit a proposed financial recover plan to achieve 13% of the eligible income for tithing. The forms are available on the Diocesan website under Administration/Documents/Stewardship.

AUGUST TITHING HOLIDAY:

This is the second year where August was a "Tithing Holiday" for all parishes who have paid the full 13% tithing amount to the Diocese.

Those parishes who requested and were granted relief are not eligible for this. The August tithing still had to be paid.

This was reflected in the August invoices to the parishes. We will continue to do this if the Diocese can meet its financial commitments.

For those parishes who pay their tithing payments via. direct payment from their bank or from their bank's bill pay system, please remember to make the necessary tithing adjustment for August.

When implementing this policy, Archbishop Paul had requested that in lieu of paying the tithing to the Diocese that each parish utilize this money for some type of charitable contribution of their choice.

ARCHBISHOP'S MOVE TO ST. GEORGE CATHEDRAL:

At the end of last year, the residence of the Archbishop was moved from the Burbank property to an available apartment on the third floor of an adjacent building at St. George Cathedral on the north side of Chicago. The apartment needed repair and remodeling to bring it up to current standards. The remodeling consisted of painting, redoing the bathroom, kitchen, kitchen and refinishing the wood floors. The total cost of the remodeling project was \$26,626.25.

MOVING OF DIOCESAN OFFICE TO ST. GEORGE CATHEDRAL:

At the beginning of this year, also at St. George Cathedral, there was open space located on the second floor of the same building. It was decided that this would become the new location for the Diocesan Offices. To convert this to office space, it also had to be remodeled. The newly remodeled space consists of an office for the Archbishop and Vice Chancellor, and room for future cubicles serving as workstations for the assistant and other personnel that may work there. Paneling on the walls was removed and replaced with drywall as well as for the new Archbishops office and partition wall to create the office spaces, new flooring installed, lighting, etc. The total cost of the office remodeling project was \$40,958.49.

NEW MAILING ADDRESS OF THE DIOCESE:

Diocese of the Midwest 917 North Wood St. Chicago, IL 60622

HISTORY AND SALE OF BURBANK DIOCESAN PROPERTY; ARCHANGEL MICHAEL ORTHODOX CHURCH:

When Archangel Michael church closed in December of 2021, the remaining funds were transferred to the Diocese and held in a separate checking account. The late Archbishop Paul named Fr. John Segvich (rector of the parish). Fr. Alexander Kuchta (Chicago Dean), Mike Najduch (Church Treasurer) and myself as part of the church to the diocese transition team. A checklist of things to do was created to take care of all the various contractors previously used for maintaining the property and paying the utilities and maintenance. All these contractors and utility payments were kept separate from diocesan normal operating expenses. During this time and all the way up to the selling of the property, Fr. John kept a watchful eye on the property and took care of all the everyday issues that are required in maintaining a property.

It was on July 18th of last year, the day we held our Diocesan Assembly in Baltimore, that I received a text from Fr. John showing me pictures of water damage that occurred in the church. Damage consisted of the collapse of the men's and women's bathroom ceilings located below the bathroom located near the main vestibule of the church, water damage to the parquet flooring at the main entrance into the church and water dripping from the ductwork into the basement below, causing the basement floor tile to start curling at the edges. Initial estimates for remediation and repair of the damage were in the range of \$93,000. However, before any work could be started for remediation, a lot of work went into finding the root cause of the water intrusion. Multiple

estimates were received at the time and ranged up to \$40,000 just for the remediation. The root cause was ultimately found, which was tree roots in the main discharge line from the church's ejector pump to the village's main sewer line.

Luckily, Fr. Paul Jannakos had contacts in the construction trade and contacted them for an estimate for remediation and repair and they were given permission to start work. They had repaired the damaged drywall ceilings in the basement bathrooms, replaced the drywall ceiling and walls in the basement area under the main vestibule of the church damaged by water, removed all the damaged floor tile and replaced it with luxury vinyl flooring, and individually cleaned several hundred parquet floor tile and reset them inside the church. After all the repairs were completed, the entire church and basement area looked much better than the original. The total cost of the repairs was \$39,662.33, substantially less than the original estimates with much more work done. It should be noted that the same contractors used for the remediation and repairs of the church were again used for both remodeling upgrades performed for the Archbishops apartment and new diocesan offices at St. George Cathedral.

With the move of the Archbishop and diocesan offices to St. George's, it became clear that something had to be done with the Burbank property and it was decided to sell everything, the residence, parish hall, church, and parking lot. During this time, Baird Warner Realty was contacted to market the property. The asking price was \$1.2 million. Three offers were received, one for \$1 Million, Iglesia Christina Manantial De Vida and two for the full asking price, World Mission Society Church of God, and the Vietnamese Buddhist Association of Champaign. After careful consideration of all offers, it was decided to take the offer of the Vietnamese Buddhist Association.

However, before the property could be sold, per the diocesan bylaws, a motion had to be approved at a Diocesan Assembly or Special meeting convened to approve the selling of the property. A Finance Committee meeting was held, led by Simeon Morby, where a motion was drawn up and became the motion presented to a special meeting of the Diocese on May 9 of 2023. The motion was approved, and steps were taken to proceed with the sale. Simeon again suggested a local Chicago Real Estate attorney to represent the diocese in the sale of the property. The Chad Poznansky from Clark Hill PLC was contacted and after discussing our situation with him, was retained as our attorney.

Before the property could be sold, various items had to be taken care of in the church, specifically related to the religious related items. One of the main items was removing the icons from the iconostas safely due to its height, 3 rows of icons. I contacted a roofer that I have used before and asked if he would be interested in assisting in removing the icons from the iconostas as they had the proper equipment and are used to working from heights. He agreed after looking at the job and sent 2 of his employees to assist. With them, Andrew Peisker (parishioner from St. Joseph's in Wheaton, IL) and myself, they removed the icons and handed them to Andrew and me where we wrapped them in bubble wrap for protection. The icons were written by the late Fr. John Matusiak. The icons were then brought to St. Joseph's in Wheaton where they will be utilized.

In addition, icons on the chandelier were removed and Andrew and I whitewashed seven circular icons (around 3 feet in diameter) that were written on canvas and attached to the choir loft balcony wall with contact cement. Given the way they were attached, they could not be removed so His Eminence gave permission to whitewash the icons. The altar table also had to be removed. Since it was about four foot square and three feet high and constructed from oak finished

plywood, Andrew and I had cut it up in smaller sections to remove it. After the relics were removed, Fr. Paul Jannakos volunteered to burn the altar, so the sections were brought to his parish at St. Lukes. While all of this was going on, Fr. John Segvich along with his son Nicholas remained busy going through all the other religious items in the church and properly disposing of them. Nicholas also mapped and labeled all the file boxes for the Diocesan archives so that they could be reassembled in the same manner at St. George.

Movers were contacted to move all the remaining furniture and office equipment from the residence to St. George's. In addition to taking care of the church items, both Fr. John and Nicholas also worked with the movers in identifying what was being removed and in the cleanup of the house after the movers had left in preparation for the sale of the property. Justin Tatooles also helped the day of the move. Prior to the move, Fr. Esteban labeled all the items in the house to be taken and on the day of the move, was at St. George's to receive the movers and to determine where everything would be placed.

The property was sold as is, so we were not obligated to do anything other than leave the property in good condition. They did several inspections and had no issues. They requested that we leave some items such as bookcases and other minor items which was no problem as we had no further use for the items. They were very interested and excited in moving in as soon as possible to start their mission. For the closing, I put together a list of all the contractors we had used, identified where items were located that were moved to the crawl space of the house that were removed from the office space when the house was remodeled and explained what the cause of the water damage so that this would not happen to them. I was told that this information was very much appreciated by them.

In advance of the closing on July 26th, we had signed documents in advance giving the attorney and the title company all the required permissions to close so that we did not have to be at the closing. Nicholas Perino from our attorney's firm Clark Hill was great in keeping us updated and getting and processing all the paperwork required for the closing. The net proceeds from the sale after attorney fees and closing costs were paid was \$1,125,733.05. The funds were wire transferred into the Archangel Michael checking account the same day.

During the process of selling the property, I was in contact with our investment advisor from Morgan Stanley. On August 4th, \$100.00 of the proceeds was wire transferred to Morgan Stanley as a test. Once it was confirmed received, the balance of \$1,125,633.05 was sent on August 7th. Of the funds transferred, \$450,000 was put into a separate fund invested primarily in equities earning dividends, cash, and alternatives. The balance remaining balance is invested in Cash, fixed income and preferreds. The current balance as of August 31st is shown in Attachment F.

As mentioned above, over the last there was a lot of time spent and volunteers working to maintain the property, especially the church, at the Burbank address when the Diocese became responsible for it over the last year and a half. Many thanks are due to all the individuals who worked to keep the property in very good condition, which ultimately proved to be worth it when it came to selling the property. Also, many thanks to the Finance Committee for coming up with the motion to sell, which was required to sell the property according to our By Laws and to Braid Warner and Clark Hill for representing us for this transaction.

OCA PENSION FUND UPDATES:

As most of you may be aware, changes were made in the funding for the OCA pension. Employer contributions increased from 10% to 12% for 2023 while Employee contributions remained the same at 6%.

One of the changes that took place at the beginning of this year was that the OCA Pension Plan started adhering to the rules that were originally made with regards to who is required to pay into the pension fund but were not followed up with. The change that is being implemented is in the definition as to who is essentially required to pay into the pension plan. Per the definition, all clergy who do work for the church, even at the Diocesan level, are required to participate. This includes the Diocese paying the 12% employer portion and the clergy paying their 6% employee portion. This was implemented in April of this year for all our Deans, Diocesan Secretary, Communications Director, and Late Vocations Director. Note, the Employer portion may rise to 14% for 2024. To be on the conservative side, the 14% employer portion is included in the 2024 budget.

REDEEMING US SAVINGS BONDS:

Three \$10,000.00 Savings Bonds were taken out in October of 1992, and reached their full maturity last year after 30 years. After contacting US Treasury Direct to determine what form was required to redeem the bonds, the form along with a multitude of supporting documentation was submitted in May of this year to US Treasury Direct to redeem the bonds. After some correspondence with them, the redemption was approved and a direct deposit of \$62,208.00 was made into our Bank of America Checking Account.

DONATED FUNDS FROM FAMILY ESTATE

Earlier this year, the diocese was informed that we would be the recipient of funds from a family estate. On September 11, the amount of \$56,638.66 was deposited into our Bank of America Checking Account. These funds will be transferred into a new, separate Morgan Stanley Investment account to be used for a specific purpose (to be determined later) to benefit the diocese.

ADDING THE DIOCESE TO YOUR ESTATE PLANS:

As you have read this report, you have seen that there have been various donations made to the Diocese via. Greater Horizons (anonymous), Holy Resurrection Monastery (anonymous), Cecil and Elizabeth Browning Trust Fund for the Perpetual care of the cemetery in Buckner Illinois and most recently from the estate of a family.

I would like to remind everyone and encourage you, if you have not done so already, please consider a donation to the Diocese as part of your Estate Planning. It does not matter what the amount is, and you can specify how you would like it to be used. Pease be assured that should you decide to donate in this manner, it will be put to the greatest use or distributed as it is specified.

<u>CAUTION</u>: One of the follow up items with the disposition of the Burbank property had to do with a donation made by one of the parishioners of the Archangel Michael Church. In 2007, the parishioner had purchased four US Savings Bonds with a face value of \$11,250.00 and had made the beneficiary Archangel Michael Church. The recipient/beneficiary of the Savings Bonds was shown as:

POD ARCHANGEL MICHAEL OCA

Unfortunately, the parishioner had passed away in 2009. In April, following the same process of redeeming the US Savings Bonds for the Diocese, US Treasury Direct was contacted to determine the correct form to complete and a multitude of supporting documentation (including a certified copy of the death certificate) was submitted to US Treasury Direct. The following response was received from them. (Note, the name of the person is replaced with *parishioner*)

This is in reference to the request recently received for savings bonds registered: "*Parishioner* POD Archangel Michael OCA".

The bonds are not registered in an authorized manner. Bonds may be registered:

- In the name of one person as sole owner;
- In the names of two persons as co-owners with the connective "OR," or
- In the name of one person as owner payable on death to another person with the connective "POD."

The bonds are registered in the name of a natural person with an organization as co-owner or beneficiary. The bonds are in an unauthorized registration; therefore, they belong to the estate of *Parishioner*. Therefore, these bonds belong to the estate of *Parishioner*.

Can you provide the name and contact information for the executor of the estate for **Parishioner**? Once we speak to the executor, we can provide them options, where one will be a way that they may distribute these bonds to the church, if they desire.

The reason I want to bring this to your attention is since the parish is closed, to date, I have been unsuccessful in attempting to find out who the executor of the parishioner's estate is. Fourteen (14) years after the parishioner died, these savings bonds remain unredeemable. I have not given up on the search for the executor, but I do not believe that it will be easy. This is upsetting because we have a situation where a parishioner donated to the church in good faith via US Savings Bonds, and no one informed them that the bonds would be registered in an unauthorized manner, not the institution where the bonds were taken out or the government in issuing the bonds in the first place.

My word of caution is to please inform your parishioners of this potential pitfall should they want to donate to your parish/institution via US Savings Bonds after they pass away. This is one reason why estate planning via. a reputable adviser is strongly recommended. If they wish to donate to the parish using US Savings Bonds, it should be a POD to a person or persons on the bonds. This could be the executor with explicit instructions in their Will or Trust of where the proceeds of the bonds should go per their wishes.

ARCHBISHOP JOB MEMORIAL SCHOLARSHIP FUND:

For 2023, funds were set aside in the budget to help cover the cost of any youth in our deaneries wishing to attend an Orthodox Summer camp or college student to attend an OCF conference. I am very pleased to report that for the first time we have done this it was very successful. Many thanks to Erin Moulton (Diocesan Youth Coordinator) from the Kansas City Deanery who organized how this would be accomplished by coming up with a simple to use online application form and working with the various camp directors throughout the diocese in how the camp fees would be paid. A cap of \$200.00 was established for each youth attending camp. A total of \$9,138.00 was spent of the \$25,000 in allocated funds. Note if there are any winter camps for the youth or OCF (Orthodox Christian Fellowship) conferences coming up in the winter these will also be covered provided that a new application form is completed and. The current breakdown is as follows:

Annunciation Orthodox Camp, Indianapolis Deanery:

37 (reimbursed between \$11.0	00 and \$100.00)	\$3,118.00
Chicago Deanery Camp:	6 at \$170.00	\$1,020.00
Eastern Orthodox Youth Camp: Kansas Deanery:	10 at \$200.00	\$2,000.00
ORPR Camp: From Chicago:	1 at \$200.00	\$ 200.00
St. Mary's Camp (Minneapolis Deanery):	3 at \$200.00	\$ 600.00
St. Vladimir's Camp: (Cleveland Deanery):	11 at \$200.00_	\$2,200.00
TOTAL YOUTH ATTENDING CAMP:	68	\$9,138.00

CLOSING:

I would like to thank Philip Sokolov for all of his work over the last year, Angie Kladis, our bookkeeper who is responsible for writing all of our checks and paying our bills and to Cheryl Hostelley from Inner Circle Inc., our accountant. I would also like to thank the other members of the Finance Committee, His Eminence Archbishop Daniel, our Chancellor Fr, Paul Jannakos, our Vice Chancellor, Fr. Esteban Vazquez, Fr. Herman Kincaid, Mr. Robert Graban, Angela Zekios and former members who have agreed to remain on the committee Fr. John Zdniak and Mr. Simeon Morbey. All deserve a big thanks for the extra time and effort they put in throughout the year and once again, for their valuable advice and ideas presented throughout the year. Finally, I would again like to thank my wife Karen for her patience and support during this time.

It has been a pleasure serving the Diocese as Treasurer this past year.

Sincerely,

Robert A. Koncel, Treasurer

2024 Proposed Budget

&

Executive Summary

To be presented to the Diocesan Council for Approval at the meeting before the Diocesan Assembly

ATTACHMENT K:

2024 PROPOSED BUDGET AND EXECUTIVE SUMMARY

This is the fifth year that Proportional Giving is utilized for funding the day-to-day operations of the Diocese. The budget is based on 13% of Parish eligible income. With a tithing of 13%, the work of the Diocese is fully funded, and a balanced budget is being presented.

With the move of the Chancery to St. George Cathedral on the north side of Chicago, our expenses related to the residence and office space is changed from what we have been used to. With the His Eminence receiving a housing allowance, he pays rent for the apartment directly to St. George's from his housing allowance. The current rent is \$2,000.00 per month, however, to reimburse the diocese for the renovation work to the apartment, the rent has been reduced to \$1,500.00 per month. In addition, for the office space, we pay \$1,500.00 per month in rent to St. George's. Since there is an available apartment at St. George's, rent is also included in the budget to house seminarians when necessary. Now, our only expense other than rent is insurance coverage for the diocese. The 2024 budget takes this into consideration.

BELOW IS A SUMMARY OF INCOME AND EXPENSES FOR THE PROPOSED 2024 BUDGET:

INCOME:

Based on a 13% tithe and taking into consideration the relief granted to some parishes, the total projected income to the Diocese is projected to be \$1,229,680.62.

In addition to the Tithing income, Program income (\$40,800) and Additional income (\$19,250) is included for a total projected income of \$1,289,730.62.

Note, this budget takes into consideration a Tithing Free Month of August for those parishes who send in the full 13% of their Adjusted Gross Income from 2022 to the Diocese.

EXPENSES:

For the details of the actual expenses, please refer to the actual numbers provided in the Excel Spreadsheet. Where deemed appropriate, additional explanation/detail is provided below.

OCA Tithing: The tithe to the OCA is shown as \$442,685.02. This year, the tithe amount to the OCA is 36% (which is 2% lower than 2023). The Parish Tithing Income of \$1,229,680.62 takes into consideration the relief granted to some parishes and the August Tithing Free Month for those parishes who tithed the full 13% of their Adjusted Gross Income.

<u>Program Expenses</u>: Total of \$201,400: This comprises Charity, Late Vocations, Mission Development, Mission/Parish Development Grants (increased from \$50,000 in 2023 to \$60,000) Seminarian Scholarships (increased from \$30,000 in 2023 to \$50,000), Diocesan Assembly Expense, Clergy Convocation Expense, St. Andrew of Crete Music Ministry and Youth Summer Camp Scholarships.

<u>Auto and Travel</u>: Total of \$66,300. This comprises travel expenses for the Auditors, Automobile Expenses, Automobile Reserve fund, Archbishop, Archbishop's Kellenik, Chancellor, Deans, Diocesan/Bishops/Metropolitan Councils and Late Vocations.

<u>Building and Grounds</u>: Total \$27,200: With the move of the Chancery Office to St. George Cathedral in Chicago, this comprises rent paid in the amount of \$18,000 to St. George Church, potential rent of another apartment at St. George's for seminarians and Supplies, \$1,200 and \$5,000 for the Maintenance Reserve Fund.

<u>Diocesan Staff Salaries and Stipends</u>: Total is \$383,431.84. This comprises the salary and benefits for the Archbishop, Chancellor, and Vice Chancellor. Based on the Consumer Price Index (as of July 31, 2023) all salaries increased by 3.0%.

Stipends for the deans and support staff are based on 2023 but also include an increase of 3% CPI as noted. The following support staff receive stipends of various amounts: Archbishop's Keleinik/Office Aide, Bookkeeper, Communications Director, Chancellery Assistant, Diocesan Secretary, Late Vocations and Youth Coordinator.

Also, starting in April of 2023 and continuing into 2024, based on new requirements of the Pension Plan, all clergy (primarily deans) working for the diocese are required to contribute the 6% employee portion of their stipends and the diocese is required to pay the employer portion of the stipend, with the exception of those deans who have aged out of the of plan who do not have to pay the employee portion. For 2023, the employer portion is 12%, however, for 2024, there is discussion to raise it to 14% which was conservatively used in the 2024 budget.

<u>Insurance:</u> Total is \$19,600. This comprises Archbishop's Life Ins. (Diocesan Policy), Auto insurance, Liability/Property/Workers Compensation for the Chancery. In addition, it includes insurance for Holy Resurrection Monastery and property/liability insurance for the Desloge Property while we still are responsible for it.

<u>Office Expenses</u>: Total is \$16,320. This includes possible bank service charges, Dues and Subscriptions, Hospitality, Internet Service Provider, Miscellaneous Expenses, Office Supplies, Postage, Service Contracts and Telephone.

<u>Professional Fees</u>: Total is \$39,620. This comprises Accounting, Background Checks, Counseling, Family/Youth Ministry, Investment Fund Management Fees, Legal, Psychological Evaluations and Payroll preparation and Website support.

Additional Expenses: Total is \$3,173.76. This comprises the Archbishop's Discretionary Fund (\$1,200), Clergy and Parish Resources (\$3,000), Clergy Development and Formation and Laity Engagement Program Funding (\$4,000 each), Financial Reserves (\$65,723.76), allocation of funds for Orthodox Youth Conference being held in Chicago and Licenses/Fees.

Note, the Financial Reserves line item is to cover any potential shortfall from financial relief
granted to parishes or for other projects approved by the Diocesan Council with the blessing
of His Eminence.

As mentioned earlier, the savings are due to the tithing to the OCA decreasing 2% than 2023, from 38% down to 36% in 2024. There are cost savings in renting our diocesan office space with regards to paying no utilities and ongoing maintenance and insurance costs. Given these new areas of saving, the proposal by the Finance Committee, with the blessing of His Eminence, is to continue to utilize these projected savings (should they be available after meeting all our financial obligations for the year) is to have August as a Tithing Free Month. This is for all Parishes who have tithed the full 13% to the Diocese for 2024. For those parishes who have been granted relief, then they are still obligated to pay their normal monthly tithing.

Taking all the above into consideration, the total budgeted expenses, \$1,289,730.62 is equal to the income of 13% tithing minus relief granted to parishes and the tithing projected to be returned to the parishes. A balanced budget is being presented for 2024.

See the following pages for a detailed breakdown of income and expenses for the 2024 Proposed Budget.

Diocese of the Midwest -

Audit findings: September 11-13, 2023

The Diocesan Auditors performed a routine audit of the Operating Accounts, Checking Accounts, Credit Card Activity, Investment Accounts and Payroll Records of the Diocese of the Midwest for the periods of April - December 2022, January – June 2023. The audit was conducted as a select review of financial activity and presentation for the months of April, September and November 2022, February and May 2023 by verifying check stubs, receipts and reports. This audit is not governed by accepted auditing standards.

Effect of 2022 & Prior Recommendations:

Completed: The information required for the audit should be deposited into Dropbox for review no later than July 31st as outlined in the Audit Committee Requirements provided to the Accounting Firm and Treasurer. The information required was timely deposited in Dropbox.

Completed: W2's were not able to be reconciled to the P & L provided. More detailed information is required. A salary summary and the 1099 vendor summary were not provided to us for the whole year by the accountant. There were 2 missing support documents for which verbal explanation was received.

Recurring: All financial statements, credit card statements, receipts, etc. should be kept onsite at the DOM Chancery and made available for review by the auditors. NOT BEING FOLLOWED IN 2022-2023 Audit Period.

Recurring: Bills need to be paid by the due date to avoid penalties and finance charges. A BOA credit card statement was accessed a late fee on 12-3-2021.

2023 Findings and Recommendations are as follows:

Checking Account:

Verified Checking Account balances to Balance Sheets for each period audited. Account balances were confirmed and reconciliation was reviewed. The following items were noted:

No issues noted in the following months:

April 2022 September 2022 May 2023

Duplicate payment

February 2023 – Ck # 16198 \$1,200 issued and cleared, 2^{nd} request received and paid online August 2023

Question concerning Zelle Transfers:

The following transactions have no supporting documentation:

May 2023 - \$8000 transferred into the General Checking Account June 2023 - \$1000 transferred into the General Checking Account

Issues noted in the following months:

November 2022

General Checking Account – No issues

Burbank Property Checking Account – No statement available

Mother Maria Checking Account – No statement available

Credit Card Statements:

Statements for the selected months were reviewed and found to be incomplete. Receipts were not available for the majority of the charges created. This is the case for all months selected. This is in violation of motion passed at the 2014 Diocesean Assembly. Due to the unauditable condition of the specific audit months, a spot check of other months was done and found to also be unauditable.

April 2022: A Late Fee of \$49.00 was assessed as well as a Finance Charge of \$105.71 due to the late payment. More attention needs to be placed on paying all bills by the statement due date.

Payroll:

Payroll was reviewed for the 12-month period of January - December 2022 and January - June 2023.

- W2 documents were in order.
- 1099 NEC forms were compared to the Balance Sheet. Five 1099s were issued with no documentation provided for the reason. It was later found to be Construction payments.

Investment Accounts:

- Investment Account Statements were compared to Balance Sheets for each period audited
- Balances were checked on the original statements from the bank/brokerage firms and totals
 were compared to reports submitted by the Treasurer and Accounting Firm and no
 discrepancies were found.

U. S. Savings Bonds:

 The Savings Bonds were cashed as recommended and funds deposited to an interest-bearing account.

Recommendations:

To enable a thorough review of the P&L entries for Contract Pay (1099-NEC) the 1099/1096
 Summary Report must include all 1099/1096s issued. Detail of the year-end Profit & Loss
 Statement will be required for Payroll items.

- Per the "Parish Financial Audit Guidelines Diocese of the Midwest, Orthodox Church in America" all the records, receipts, checks, and files are to be kept at the Chancery.
- Per the Motion passed at the 2014 Diocese of the Midwest Assembly, credit card receipts are required to be submitted for every purchase on the Diocesan credit card and should be filed with the credit card statements.
- All contract workers, i.e. the Diocesan bookkeeper are to be paid on a 1099, not a W-2 per IRS regulations.
- It is noted that checks should be issued from the Chancery to ensure one master set of records. All invoices, and necessary documentation is to be attached to the respective check stub.
- Finance Committee should review the General Checking Account balance to determine if some of the funds carried from month-to-month could be transferred to an interest-bearing account.
- Memo line on checks should be completed at the time the check is written, with explanation in the notes area of the check stub.
- It is unconscionable that records, receipts were not made available to the auditors after they were requested via emails prior to the Audit, and that recommendations made by the auditors at past Assembles are not being followed.

Action Items:

Metropolitan Council October 2023 Meeting Report Reader Basil Kochan

The 2023 fall session of the OCA Metropolitan Council met on October 11 and 12 in Springfield, Virginia. The meetings began with prayers led by Metropolitan Tikhon. Only a few physical absences were reported with some joining via video conference. After taking the role, opening remarks and cumulative report was offered by His Beatitude.

The Pension Board of the OCA along with our own Archbishop Daniel (Synodal liaison to the Pension Board) were present. Mr. James Heinzman, CPA, CFE, an actuary not connected with the OCA or the Pension Board, was invited to educate and lead discussion on the financial situation of the pension plan. The remainder of the sessions for the morning and large part of the afternoon focused on his presentation combined with extensive questions and thoughts of the Pension Board, Pension Committee of the Metropolitan Council, and the entirety of the Council.

The presentation by Mr. Heinzman was exceptionally well done and helpful in discerning what needs to be addressed to make the plan work for all moving forward. Per the charge of His Beatitude, respectful and lengthy discussion was held with much information to review and prayerfully ponder. Four resolutions of the Pension Committee drawn before the meeting were either withdrawn or defeated, largely due to the education by Mr. Heinzman. The sessions for the day concluded with prayer and dining together.

The second day of the Council began with Divine Liturgy at All Saints Orthodox Church in Alexandria, Virginia. Following services, the reports of the chancellor, Fr. Rentel and secretary, Fr. Margheritino were reviewed with minimal updates from the previous session held via Zoom on September 28. Subsequent morning sessions again addressed the issues facing the Pension Board and moving forward. The work of the Pension Board and the Pension Committee was commended by all.

The major decisions of the Council offered to the Holy Synod and directed to the pension plan were that all parishes and participants in the plan contribute an additional 2% to the plan beginning in 2024. Secondly, after all actuary reports have been scrutinized by the Pension Board, a funding improvement plan (FIP) be readied prior to the 2024 fall session of the Metropolitan Council. The Council was informed that it would take six to nine months after the actuarial reports were compiled to develop a FIP. Finally, the OCA will continue to contribute \$9,000.00 per month to assist in administrative costs for the pension plan.

The Pension Committee offered the following statement that carried with one abstention:

"The Metropolitan Council appreciates the renewed spirit of cooperation between the Pension Board and the Council exhibited at their joint meeting. The Council acknowledges the expediency of the mutual sharing of documents and information by the Pension Board, the Metropolitan Council Pension Committee, and the Metropolitan Council as a whole.

The Council looks forward to a Funding Improvement Plan (FIP) to be presented prior to the Regular Fall 2024 Session of the Metropolitan Council.

The Council looks forward to receiving the actuarial valuation report in early 2024 and the actuarial projection report that the Pension Board expects to receive at the conclusion of the 2023 calendar year.

Pursuant to item seven (7) of the resolution adopted at the 20th All-American Council, Mr. James Heinzman, CPA, CFP, presented benefit pension plan training to the joint meeting of the Pension Board and Metropolitan Council. The Metropolitan Council found this training, and the questions and answers associated with it, very valuable."

Discussion was then moved to the property in Syosset and subsequent sale. The Property Committee updated the Council on the potential sale of the Westwood (Syosset) property. No action was taken at this time. A motion tabled from the spring meeting of the Council requesting an appraisal of the property was brought forth. The motion was soundly defeated.

Legal matters were then discussed in executive session.

The treasurer and auditor reports were both presented with few questions from the Council. Andrew Smith, treasurer, was commended for his great work in his capacity.

Matushka Evelyn Kreta suggested a Spanish translation of the new Orthodox catechism. Several suggestions were made as to how to proceed with this. Fr. Rentel took it under advisement.

The topic of a youth director in the OCA was briefly discussed with the understanding that more discussion must take place on this topic.

The tentative dates for Metropolitan Council for 20224 are March 5, 6, or 7 if via video conference. Many in attendance felt that more fruitful discussion is gained by in-person meeting. The fall session is tentatively set for October 9-10.

His Beatitude Tikhon closed the session with a prayer thanking all in attendance for discussion that was "inspiring."

Full minutes and reports from both the September and October meetings of the Metropolitan Council are available at www.oca.org dated November 15, 2023.

The Communications Office is responsible for the press releases and publications on the diocesan website. Additionally, this office also assists with other diocesan publications and correspondence at the discretion of the Diocesan Hierarch.

DOMOCA.ORG is at the very center of disseminating information regarding the diocese throughout the world. The website has acquired not only a national audience, but also an international audience, thus DOMOCA.ORG is serving its purpose as the public face giving visitors an insight into life in the diocese. It also produces more posting than the OCA.ORG and other diocesan websites. This makes our diocesan website a leader in this category. The diocese also launched an app providing a unique tool for parishes to communicate within their communities. This platform has sparked national interest and may grow beyond the parishes of the DOM.

The Office of Communications has seen an increase in submissions, especially in regard to archpastoral visits. I encourage each parish to submit stories and pictures from the various events that take place in their community. When we share this type of news, it brings our large territory closer together and gives a glimpse of life in the various corners of the diocese. Additionally, it is helpful when clergy send and share links from the diocesan website. By distributing these links, clergy are able to pass meaningful and relevant information to their people, while introducing them to the diocesan website.

Information and material should be sent to: communications@domoca.org

I express my sincere gratitude to His Eminence Archbishop Daniel, His Eminence Archbishop Paul, of blessed memory, who appointed me to this office, Fr. Paul Jannakos, Fr. Joel Wilson, and Rdr. Philip Sokolov for their efforts in making DOMOCA.ORG a relevant and insightful website.

MISSION COMMITTEE REPORT

September 2023

Submitted by Joseph Kormos

The Mission Committee has been in a transitional state in the past year awaiting new direction as to its role, efforts, make-up and fit with other Diocesan activities. As a result regular status reports from most existing missions, mission explorations and chapels have not been received by this committee.

Key focus areas of the Mission committee have been:

- Provide support for existing missions
- Identify effective locations for future mission plants
- Examine re-planting/renewal efforts associated with existing heritage/legacy parishes within the Diocese.
- Build a sense of mission in existing parishes in the diocese.
- Provide parish development support for existing parishes in the diocese.

Despite the dormancy of the Mission *Committee* some important efforts have been undertaken in the past year.

Mission Explorations

Dakotas

Working together with Fr Paul Wesche, the Dean of the Minneapolis deanery, and the clergy and the faithful of North and South Dakota, his Eminence, Archbishop Daniel, established in February 2023 a new Dakotas mission district. This new mission district will work to plan and implement ways to better serve the growing Orthodox population in these northern states. Funding is also being procured to help pay for the pastoral initiatives needed for the establishment of new parishes, missions and chapels.

Wisconsin

Fr Tom Mueller continues his work with two chapels in Waukesha and Plymouth Wisconsin.Both are under the patronage of St. Maria of Paris.

Tenth Parish Development Forum

While not an effort specifically focused on Mission communities, this report has typically included a summary of the Parish Development Forum.

The Forum is co-sponsored by the Midwest Diocese along with the Archdiocese of Western Pennsylvania and the Bulgarian Diocese.

The Tenth Parish Development Forum was held "in-person" in July for the first time since summer of 2019. Host parish was Holy Trinity Church in Parma OH. Almost one hundred persons attended with 51 attendees from the Midwest Diocese.

Parish Development Forum Feedback

- "... thank you for a very informative forum last week. I truly learned a lot and I am looking forward to the next one."

 Priest, Pennsylvania
- "This is the best actual conference I have been to in terms of helping parishes grow and become healthier. You have done a really tremendous job with the parish development forum. I am working on starting something like it for Texas." Priest, Texas
- "Seven participants from our parish's Mission and Outreach group went to the 10th Annual Parish Development Forum in Parma. An absolutely incredible time was had by all! The hospitality was outstanding. The education was an 11/10. The entire program was worth more than we could have anticipated! **Midwest Diocese Parish**

The Forum theme of "Our Parish and the Future" was developed during keynote talks and breakout discussions in three focus areas including: 1) Clergy Laity dynamics as a key to a healthy parish environment; 2) Attracting and Integrating Converts and 3) Connecting Parish Ministry with the Neighborhood.

Forum feedback is shown in the box nearby.

One important aspect of the Forum was sharing with attendees the summary of the <u>2023</u> Orthodox Convert Survey. Survey responses were received from 773 persons.

The Forum is conducted with active assistance from Archpriest Stephen Frase, clergy co-chair, Cathy Vrugitz and John Fedorko from Midwest Diocese parishes.

The 2023 Forum was dedicated to Archpriest Daniel Rentel of blessed memory. Fr Daniel passed away in early 2023 and was the prime inspiration for the "Small Parish Forum" which became the current Parish Development Forum.

Department of Family Life

(www.midwestfamily.org)

Report to the delegates of the 2023 Assembly of the Diocese of the Midwest, OCA

The Department of Family Life was created by Archbishop Paul to operate his passion project, the family life website (www.midwestfamily.org). Since His falling asleep, the website has gone dormant, and the department has engaged in zero public activity. Behind the scenes, however, there was an effort this past fall and early spring to renew family ministry on a diocesan scale through the founding of Orthodox Family Camps. This idea was hatched in response to a call for proposals from Lilly Endowment for grants of up to \$1.25 million over five years to organizations trying to help families pass on their Christian faith to the next generation. From October 2022 to February 2023, we conducted research into the logistics and costs of partnering with an existing family camp in the Minneapolis region and establishing new family camps in four different regions of our diocese. These would operate out of existing facilities rented by the diocese for weekend events led by our own staff. We then prepared the grant application, complete with a detailed budget proposal and timeline and submitted it to Lilly on February 13 of this year. We asked for \$417,522 over five years. Unfortunately, our proposal was not chosen for funding, so the family camp initiative has stalled, and the Department of Family Life remains defunct.

Youth Communications Diocesan Report – September 2023

The focus of the Youth Communications role in the Midwest Diocese is to provide information to parishes and families about youth events and issues within the diocese. During 2023 we began using the Diocesan app for communications, but we have struggled with adoption throughout the diocese. As users increase, the app can and should be a good venue for communication with church school teachers, youth directors, families and youth themselves. We have discontinued use of Slack for communications in an effort to move to the app, but we continue to post on the DOMOCA Youth Facebook page and use email lists at times for communication.

This year we supported efforts to advertise and distribute scholarships for diocesan camps for families throughout the Midwest Diocese. The Youth Communications Liaison was responsible for advertising the scholarships, providing an application process, receiving and reviewing applications, and notifying families of scholarship awards. Through this effort, we were able to provide full or partial scholarships to almost 70 youth in the diocese to attend six camps, distributing scholarships totalling just over \$9000. In addition, the scholarship funds made possible the inaugural year of a new camp in Missouri - Annunciation Family Camp. The system and application process that was created will now be used to offer and provide scholarships for winter camps and college conferences for DOMOCA youth in 2023 and 2024.

In 2024 youth communications expects to be involved in supporting communication efforts related to summer events including diocese camps and conferences, scholarships, and the Suprasl Youth event in Chicago, as well as otherupcoming retreats or other youth events. We hope to see an increase of use in the diocese app or other forms of communication. These tools are only as good as the information submitted.

Erin Moulton always welcomes ideas and suggestions as we build communication across the diocese to support our youth. Please feel free to contact youth communications at domyouth@domoca.org or directly at moultonee@gmail.com.

Diocese of the Midwest, Diocesan Assembly 2023 OCA Clergy Wives Advisory Group (CWAG) Report

Who are Clergy Wives? Matushka, Presbytera, Popadija, Protinitsa, Preotesa, Pani, Panimatka, Diaconissa, Widows of clergy All the wives of clergymen

Our OCA's clergy wives advisory group (CWAG) serves the entire clergy wives population and offers various programs and activities to clergy wives and widows. Currently, CWAG functions under the guidance of Bishop Gerasim of the South (OCA Office of Pastoral Life's liaison hierarch) and Fr. Nicholas Solak (the chair of OCA's Office of Pastoral Life).

The group was formed as a result of the online retreat held in July 2020. The retreat was organized in response to the pandemic which brought many challenges to clergy and their families. Currently, CWAG consists of 6 priest wives representing different dioceses. The members are Mka. Alexandra Safchuk (Washington DC), Mka. Valerie Zahirsky (Midwest), Mka. Wendy Cwiklinski (West/Military), Protinica Lela Powell (West), Mka. Jennifer Levine (South/Military), and Mka. Miho Ealy (Midwest). In addition to our group members, we have many clergy wives as diocesan point people (DPP). DPPs help distribute news and communicate with local clergy wives. For the diocese of the Midwest, point people are Matushka Valerie Zahirsky (Parma, OH), Protinica Michelle Jannakos (Palos Hills, IL), and Mka. Miho Ealy (Dayton, OH).

CWAG activities

CWAG group meets twice a month to plan activities and events.

Events are:

Quarterly Online Zoom Retreat (Saturdays, 1-3pm ET)

Quarterly Online Newsletter (both in English and in Spanish)

Clergy Widows Online Retreat

Call for Clergy Wives Prayer List

Partnership with Thriving in Ministry (peer-learning group)

Communication via our diocesan point people and share news from each diocese

Our main focus is to connect and support each other. Being a clergy wife in a parish setting brings many challenges. It's a unique position and can be demanding and isolating. We would like to continue to reach out to clergy wives and hope to institute more programs to meet the needs of clergy and clergy families throughout the OCA.

Report, Diocesan Assembly, 2-4th of October 2023

18th of September – St. Evmenes of Gortyna, Anno Domini 2023, Anno Mundi 7532

Statistics

At Present the Program has APPROXIMATELY 31 students. ~10 on hold.

Operations

Courses are presently being held through zoom. During the pandemic students in widely spread areas, many with few local people for a cohort, were brought into a single online course.

We have yet to return to in-person instruction. Difficult with present cohorts of people from geographically disperse places and at different points in their work through the curriculum cycle. We need to develop more local interest and faculty not just to teach when called on, but to help in the development of local interest and the formation of local cohorts.

New Program, "Seeds of Faith"

This advanced catechesis has had limited success. We will continue it, but hope to get more diocesan buy-in. We are trying to counteract some of the bad educational environment of social media and various internet influencers--trying to head off the *supplementation* by outside materials. We welcome input. We would gladly take any technical assistance to increase the impact of these courses. These courses allow for a deeper dive into some subjects than we can normally do in the Catechist/Diaconal program, where we need to do broad surveys to cover an immense amount of material. Hopefully, the work we do here in these courses will be

developed, to be available to parishes and priests in some way that is of assistance in parish life.

Faculty

At present our faculty is somewhat reduced. We are looking for more, to go with development of local cohorts.

Fr. Elijah Mueller--Director, Spirituality, subjects as needed

Dr. Rebecca Luft, Old Testament, New Testament

Fr. Esteban Vazquez, New Testament

Dr. Richard Zaleski, Church History/ Patristics

Fr. Philip Maikkula: *Dogmatics*

NEED: Liturgical Theology/ History

Assorted local instructors: *Pastoral Issues / Liturgical serving / Catechetical Practice* (usually local Deans and deacons with rubrical expertise).

Many other instructors have worked with us in the past and we hope to use again (*Fr. Jacob Van Sickle, Fr. Michael Butler, Dn Justin Jackson, Fr. Paul Wesche, Dn Paul Gavrilyuk, etc.*).

Future Hopes

We hope that the work that is done in this Institute provides the basis for further educational initiatives in the diocese. There is a need for local and affordable theological education that meets people where they are, as they remain rooted in their present community, and we hope to help in connecting the diocese to broader educational resources to meet that need. Additionally, the Institute has already helped to prepare many people for seminary studies, and has also assisted people with theological degrees from non-Orthodox institutions to enable then to minister in an Orthodox parish context.
