Report, Diocesan Council, September 11th, 2024

Statistics

At Present the Program has APPROXIMATELY 30 students studying now or just recently finishing. Approximately 5 on hold.

Operations

Courses are presently being held through zoom because of the difficulty of finding students all together in one geographical location and at the same point in their studies.

Faculty

At present our faculty is somewhat reduced. We are looking for more, to go with development of local cohorts.

Fr. Elijah Mueller--Director, *Spirituality, subjects as needed*

Dr. Rebecca Luft, *Old Testament, New Testament*

Fr. Esteban Vazquez, *New Testament*

Fr. Philip Maikkula: *Dogmatics*

Fr. John Thetford: *Liturgical Theology/ History*

Assorted local instructors: *Pastoral Issues/ Liturgical serving/ Catechetical practice* (usually local Deans and deacons with rubrical expertise).

New Connection

Currently one of our faculty is working simultaneously with St Herman's Seminary in Alaska.
